Plan Distribution & Access

The Plan will be distributed to members of the business continuity team and management. A master copy of the document should be maintained by the business continuity team leader.

Provide print copies of this plan within the room designated as the emergency operations center (EOC). Multiple copies should be stored within the EOC to ensure that team members can quickly review roles, responsibilities, tasks, and reference information when the team is activated.

An electronic copy of this plan should be stored on a secure and accessible website that would allow team member access if company servers are down.

Electronic copies should also be stored on a secure USB flash drive for printing on demand.
